[Message](#)

I've devoted my entire career to optimizing the financial success of companies of all sizes, including Fortune 500 enterprises. As a champion of operational excellence, productivity, and systems innovation, I consistently shatter corporate financial performance records and achieve even the most ambitious business goals.

UNCOVERING GAME-CHANGING OPPORTUNITIES:

Known for driving aggressive growth, I am an unrelenting bottom-line driver with a remarkable track record of spearheading organic and inorganic business expansions.

► I enabled the rapid growth from \$56M to \$1.2B, a generated \$980M+ in just 2 years.

IMPLEMENTING & AUTOMATING EFFICIENT SYSTEMS:

I make every minute count and greatly improve reporting accuracy by creating accounting, financial, and project management systems.

► By automating a timecard process, I cut quantity overpayments by 90% and saved 6 labor hours each week.

BUILDING & INSPIRING TOP-PERFORMING TEAMS

Dedicated to driving unsurpassed employee performance, I offer extensive success in staff training, leadership, and motivation. I am adept at finding, recruiting, and developing world-class talent.

► I led cross-functional team of 60+ across global locations, promoting many into senior managerial roles.

Experience

Chief Financial Officer

1234 Technologies

2014 - Present • 3 yrs • Dallas/Fort Worth Area

Appointed into this position to serve as a strategic partner to the CEO, Board of Directors, and several subcommittees, I oversee accounting, finance, tax, and investor relationship functions on a global scale.
